

# Notice to Safe and Secure Hotels

25.04.2021

## **International Arrivals for the purpose of 14-day quarantine enroute to other countries.**

Some countries accept quarantine in Sri Lanka as an entry requirement to their country, where direct arrival from the origin country is not permitted. This is a reflection of Sri Lanka's health and safety regulations.

1. Any hotel taking above bookings will be considered Safe & Secure Level 2.
2. All Health Ministry Guidelines as applicable to Level 1 tourists need to be strictly adhered to for such Level 2 bookings – **insurance, PCR testing etc.**
3. The hotel will be exclusively for the above category and not permitted to take other international or domestic bookings while they operate as S & S Level 2 hotel.
4. The guests will be confined to their rooms and will not be permitted to use common facilities at any stage. Meals should be delivered to the room.
5. Any drivers, guides or any staff interacting with guest must be in full PPE.

The above is applicable irrespective of being fully vaccinated.

6. Travel Agents and Hotels taking such bookings are responsible to ensure the departure of such guests from the country at the end of the 14-day quarantine period.
7. Level 1 hotels currently having such guests will be permitted to accommodate guests currently in your level 1 hotel. However, new bookings would require segregation of guests to Level 1 and 2.
